

## Alvin Law General Introduction

It's my pleasure to introduce our speaker. Considering that he was born without arms, simply overcoming that challenge would be impressive enough. But as we'll witness today, "Overachiever" would be a much better word to use to describe this man than "Disabled". His list of achievements and awards has been growing since the 1970's when others noticed his amazing abilities as a sign that he had the potential to do great things.

His honors have included Saskatchewan Junior Citizen, Outstanding Young Canadian, Mount Royal University's Most Distinguished Alumnus and Queen Elizabeth Golden Jubilee Medal recipient. He has an Emmy Award for one of several documentaries on his life and even played a character on the hit TV show, "The X-Files".

He is also very generous with his time. Since 1976, he has played a direct role in raising over 165 **Million** dollars for charity. His dedication to humanity even led to him being the sole inductee into the Canadian Professional Speakers Hall of Fame in 2009!

I was asked to keep this short...too late!

Ladies and Gentlemen...**Alvin Law!**
