"One of the finest speakers I've ever heard in my life is Alvin Law. It was not his lack of arms or his ability with his legs, it was his spirit that made that speech what it was. He, with any other body, would still be a magnificent speaker."

Jim Cathcart, CSP, CPAE – Author and Professional Speaker

We all have obstacles in life

It is ultimately our attitude that determines whether they block our path to success or strengthen us on our journey.

More than just a motivational speaker, Alvin confronts people to:

- Consider the consequences of their current beliefs and attitudes and how it ultimately affects their lives.
- Put into perspective the challenges they face.
- Create a stronger sense of harmony and respect for each other within the realm of office politics.
- Become more connected in their relationships with other people.

An event that will keep people talking ...

Painting with words, Alvin seamlessly connects his insights with humorous and emotional stories from his own life. His customized, professional and enthusiastic presentations feature a performance on the keyboard and drums as proof positive of his success in overcoming obstacles.
